

The garden is being established to provide a peaceful place for quiet reflection, and to honour the memory of a loved one.

A sign in the garden will offer information about palliative care and the services SPCI offers.

Sunset Palliative Care Inc does not receive funding from anywhere. The regular memorial donations received go directly to the program as they are intended for client services. That is why funds must be raised specifically for the "Memory Garden" Project.

We hope that you will consider supporting the garden in the park with a donation to help us build it in a comfortable, attractive and appealing manner.

NOTE: Please indicate that your donation is intended for "The Memory Garden Project".
